

Last spring, My Martial Arts created the first ever Special Needs Adaptive Program Martial Arts Tournament (SNAPMAT). The event was held at Highland Park High School and was a huge success! (Please read the attached article about last year's inaugural tournament)

Now, this coming spring, My Martial Arts and Semones Family YMCA (formerly Town North) are teaming up for SNAPMAT Spring Classic 2020. It is the ONLY martial arts / fitness tournament exclusively for our Special Needs community and we are asking for everyone's support!

In order for the tournament to enjoy continued success, we are looking for sponsors. Your sponsorship goes towards equipment, staffing, a medical professional, medals, and T-shirts.

#### 2 Levels of Giving:

Level 1, \$500: Name of the company/sponsor to be on all printed promotional materials (such as fliers, posters, and T-shirts). In addition to the printed material, a link to the company/sponsor will be on the My Martial Arts website. Company/Sponsor will also be allowed to set up a booth and hand out any promotional material at the tournament.

Level 2, \$1000: Benefits of Level 1, plus a naming opportunity of a competition ring. There will be 4-6 competition rings designated by giant banners hanging above them. Sponsor's naming details will be placed on the banner.

If you are interested in supporting the only exclusive martial arts and fitness tournament for our Special Needs community, please contact Mr. Tony Rios by calling 214-499-3666 or emailing at [tony@mymartialartsdfw.com](mailto:tony@mymartialartsdfw.com)

Registration for participants will open Wednesday, February 1st.

Tony Rios
